	Total			192	

The structure of the study programs in terms of the representation of mandatory and elective subjects is in accordance with the Law on Higher Education and the changes in the Law on Higher Education and the Regulation on Compliance of the Ministry of Education and Culture.

The planned fund of weekly hours for lectures, exercises and complementary activities of subjects in particular is also in accordance with the Law on Higher Education.

Table 3 presents the list of elective courses from the Faculty of Legal Sciences, which, according to the legal regulations in force, contribute 20% of the number of ECTS in the study program.

From the proposed courses, during the course of studies, students must choose 16 (sixteen) courses in the first cycle of studies.
